Award-winning textile technology company for the circular industry.

INTERNSHIP MARKETING & SALES (W/M/X)

The Company

OceanSafe is a textile technology company for the circular economy.

- We develop groundbreaking synthetic textile materials, such as polymers, fibers, and yarns.
- We ensure materials are always biodegradable, free of harmful substances, recyclable, and durable.
- We cater to all relevant industry sectors including fashion, sportswear, home or technical textiles.

We are a dynamic Swiss/German startup with offices in Bern and Krefeld, operating a technology licensing model. Our products, introduced to the market in collaboration with global brands, are continually expanding. OceanSafe is a multiple-award winner.

The Role

You become part of OceanSafe's Marketing & Sales team for three to six months.

You work on innovative projects and support the day-to-day activities of an exciting player in the sustainable textiles field.

Your scope of tasks and responsibilities:

- Supporting the development and implementation of marketing strategies and campaigns
- Analyzing market trends and competitive activities
- Evaluating and monitoring the success of marketing and sales activities

Your Skills

- Currently a student (BA/ MA).
- Marketing and sales affinity.
- Strong communication skills.
- Very strong English proficiency is key.
- Other languages are a plus.

Your Profile

- Interested in textiles and sustainability.
- Proactive with a hands-on attitude.
- Goal-oriented, structured, diligent and reliable.

Our Offer

- Pleasant and open working atmosphere in a young company with a flat hierarchies and short communication paths.
- Innovative topics with high value experiences.
- An open-minded and motivated team.
- High team bonding with team events.
